Bahrain

No data.

China

During the reporting period, 72 shipments of hazardous wastes were detected as imported into the HKSAR without prior notification to the competent authority of the HKSAR. These included i) 55 containers of waste cathode ray tube from North America; ii) 30 containers of waste cathode ray tubes from Asia & Oceania; iii) 2 containers of waste cathode ray tubes from Europe; iv) 2 containers of metal sludge from North America; and v) 1 container of waste battery from Asia. The wastes concerned had been returned to

the corresponding states of export.

Indonesia

Tthe first day MOE received information and proceed it. There was no solution until the end of year 2004.

Japan

Information is not available.

Marshall Islands

N/A

Qatar

No disposal registered.

Viet Nam

Legally, there is no transboundary movement of hazardous waste to Vietnam or from Vietnam for disposal

purposes. No record on illegal cases.

Bassan	Waste incompatible with the tfc decumentation
Reason Measures	Waste incompatible with the tfs documentation Loads sent back to Greyhound waste for inspection. Waste was sent for landfilling
Ireland	Loads Selft back to Greynound waste for inspection. Waste was selft for landing
Countries	IRELAND/HOLLAND
Date	08.10.04
Waste	160508 7)
Amount (mt)	
Reason	CANCELLED AS TFS EXPIRED
Measures	NONE
Ireland	
Countries	Ireland, Belgium , India
Date	10/01/2004
Waste	Mixed Dry Recyclable Waste
Amount (mt)	233.65
Reason	Waste shipped in error as green list waste
Measures	Notice under Article 7 of the Waste Management (Transfrontier Shipment of Waste) Regulations, 1998.
Ireland	
Countries	Northern Ireland
Date	20-Sep-04
Waste	Municipal/Household waste
Amount (mt)	17.26
Reason	Due to perceived irregularities in waste types being transported
Measures	Waste was sent for processing under the original tfs as it was agreed that there was no contravention of the tfs sytem and this waste could be further processed as explained and contracted.
Ireland	
Countries	Ireland, Holland, India
Date	29/09/2004
Waste	Mixed Dry Recyclable Waste 6)
Amount (mt)	
Reason	Waste shipped in error as green list waste
Measures	Notice under Article 7 of the Waste Management (Transfrontier Shipment of Waste) Regulations, 1998.
Ireland	. :
Countries	Holland
Date	Apr-04
Waste	Plastic
Amount (mt)	
Reason	Tfs documentation not obtained for the load, however the Dutch authorities belived Tfs was required and sent the load back.
Measures	The EPA has been written to advising them of the load in question
Ireland	
Countries	Ireland/U.K.
Date	Dec-04
Waste	60502, Metal hydroxide filter cake.
Amount (mt)	40
Reason	Nickel content of the waste was outside the 0.2% specification. Ni content of two loads was 1.7% and 0.9%, therefore waste was hazardous and not suitable for recovery at the UK site.

Measures	Loads were returned to Element Six under UK TFS (GB003589). Waste to be sent to Germany for landfill.
Ireland	
Countries	Antwerp
Date	Feb-04
Waste	Mixed Green list 2)
Amount (mt)	
Reason	Not notified under TFS
Measures	Waste Returned - Company sucessfully Prosecuted under Section 36 of Waste Man Act 1996 to 2003
Ireland	
Countries	Ireland, Belgium,China
Date	Jan-04
Waste	Municipal 1)
Amount (mt)	
Reason	incorrectly classified
Measures	Arrangements being made for waste to be accepted by a waste facility in Cork City
Ireland	
Countries	Netherlands (Rotterdam)
Date	Oct-04
Waste	Insulated & uninsulated cable 3)
Amount (mt)	
Reason	Cable Waste classed as Green list waste for recovery (LCC not notified of Shipment). Dutch Authorities at port classified the waste as mixed waste, requiring TFS Notification. Containers of waste cable returned to Ireland
Measures	Munster Metal Co. were instructed to apply for TFS. TFS application received. Authorisation/consent from country of destination not submitted todate. Munster Metal notified of outstanding requirements
Ireland	
Countries	Ireland, Holland, India
Date	~10/01/2004
Waste	Mixed Dry Recyclable Waste
Amount (mt)	260.88
Reason	Waste shipped in error as green list waste
Measures	Notice under Article 7 of the Waste Management (Transfrontier Shipment of Waste) Regulations, 1998.
