

8. Invitation related to decision OEWG-10/10 on creating innovative solutions through the Basel Convention for the environmentally sound management of household waste

Decision: OEWG-10/10: Creating innovative solutions through the Basel Convention for the environmentally sound management of household waste

Background:

1. At its tenth meeting, the Open-ended Working Group acknowledged the interest of Parties and others in actively participating in the informal group on the environmentally sound management of household waste and supported the proposal of the informal group for the Conference of the Parties to establish a household waste partnership under the Basel Convention.
2. By decision OEWG-10/10, the Working Group invited Parties and others to submit comments on the draft concept note on the household waste partnership (UNEP/CHW/OEWG.10/INF/14) to the Secretariat by 15 September 2016 and requested the informal group to finalize the draft concept note, including terms of reference and a workplan for the biennium 2018–2019, taking into account the discussions during the tenth meeting of the Open-ended Working Group and comments submitted by Parties and others, and submit the draft concept note to the Conference of the Parties at its thirteenth meeting for its consideration.
