COMMENTS FROM THE EUROPEAN UNION AND ITS MEMBER STATES

EXPERIENCES GAINED WITH REGARD TO THE ARRANGEMENTS OF THE TENTH MEETING OF THE OPEN-ENDED WORKING GROUP

Decision BC-12/19 on the work programme and operations of the Open-ended Working Group for the biennium 2016-2017 the Conference of the Parties invited parties and others to submit to the Secretariat, within two months of the end of the tenth meeting of the Open-ended Working Group (OEWG-10), comments on experiences gained with regard to the arrangements of that meeting.

Following to this decision the European Union and its Member States have the honour of submitting their views and experiences regarding the arrangements of the OEWG-10.

The EU and its Member States are of the opinion that the arrangements for OEWG-10 proved efficient and effective. We would like to highlight the substantive work in contact groups where the evident progress was made and compromises were reached. We also recognize that about two days of plenary sessions were sufficient.

The EU and its Member States support the approach that had already been taken for the ninth meeting of OEWG, which involved a four-day meeting with two days of plenary sessions and simultaneous interpretation in plenary sessions for two days only.
